Eazeeloans .com the loan advisory portal recently launched by Apex Finance & marketing has reached a milestone of 1000th customer application.

Mumbai, India, August 05, 2009 --(PR.com)-- Eazeeloans.com has touched its 1st milestone of 1000 customers applying for loan on its portal in only the 2nd month of its launch pan India.

"The achievement is especially relevant in the current global economic meltdown scenario where most businesses have been affected and layoffs have become the trend. The accomplishment gives credence to the already accepted fact that given the power of choice, simplicity and convenience the consumers would opt for the very best" says Subhrajeet Talukdar the founder. " We are already targeting our next milestone of 10,000 loan applications." Unquote.

Eazeeloans.com is a loan advisory portal launched by Apex Finance & Marketing in Mumbai in 2006 that offers the loan deals for Personal Loans, Home Loans, Property Loans, Auto Loans, Business loans, Mortgages, Secured loans, Unsecured Loans. It is managed by trained professionals and is associated with various leading banks to provide fast and easy hassle free loans.

As apparent from the number of applicants applying for loan products Eazeeloans.com has already gained acceptance and popularity in a very short time span through peer reviews and word of mouth publicity. The vision of Eazeeloans is to provide the best offer in relation to services such as documentation, rate of interest and loan quantum in a personalized manner tailor made for each customer all available under one roof.

Banks/ DSA's can share the Eazeeloans advantage by registering for leads on a cost per lead basis and:

*Get genuine leads from preferred location

*Provide services from affiliated Banks.

*Retain the customer for life
